Congratulations...

We would like to welcome you to The Boathouse and congratulate you on your forthcoming marriage. This is an incredibly special time for you both and we're here to help you create the most magical and unforgettable day of your lives.

A perfect location...

Set in the beautiful surroundings of Danson Park in Bexley, The Boathouse offers a romantic, intimate and unique venue for your special day.

The park occupies 78 hectares and is designated Grade II on the English Heritage register of special historical interest. Records show that an estate here has probably existed since before the 13th century.

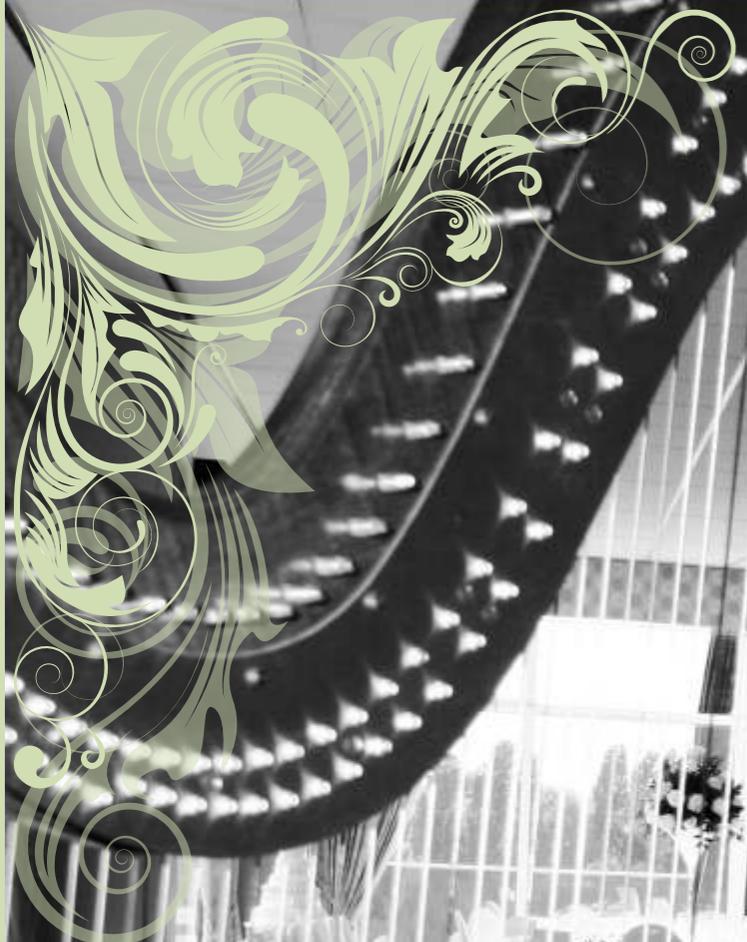

The story begins...

The Boathouse is licensed for Marriages and Civil Ceremonies for up to 90 guests. Our room is arranged to create a idyllic ceremony suite overlooking the lake.

Your guests are with you the whole time whilst we prepare the suite for your sumptuous wedding breakfast, a perfect opportunity to mingle and take some gorgeous photographs in the park.

The Suite..

With space to accommodate up to 130 sit down guests and 180 in total for an evening party we are a perfect venue for either large and lavish celebrations or smaller intimate gatherings.

Newly refurbished in 2011, our suite comprises a large function room area, adjoining dance floor and modern bar. The outdoor terrace is an ideal space to enjoy our hand made canapés with a chilled glass of Champagne.

The Boathouse gives you the convenience of enjoying your entire day in one stunning location.

It's your choice...

We can work with you to design a bespoke wedding that fulfils your every need or if you prefer, our stylish packages make it easy and fun with stress free planning.

We love to focus on the little details that make the big differences. Most importantly, we will look after you and your guests throughout your celebration, making sure it's a day you will never forget.

Delectable Delights...

The wedding breakfast is one of the most important parts of your special day. In addition, we have an extensive and varied choice of buffet menu options that cater for all tastes and needs.

Our Chef is on hand to help you make the right decision and can tailor make your desired menu if required.

We always go out of our way to ensure you are completely satisfied.

Stunning views and brilliant service...

Gaze out of our panoramic windows and enjoy the amazing view of Danson Park, the lake and beyond.

Our dedicated team is committed to making your day a very special and unique occasion. At all times we provide a personal service and our experienced wedding co-ordinators are on hand 7 days a week to ensure your mind is at rest and you feel totally relaxed, happy and supported.

The Evening unfolds...

Although we have an excellent in-house DJ that plays a fabulous mix of classic tunes, you are also welcome to choose your own entertainment. Whether it's a Jazz band, a tribute act or your own chosen DJ, we can accommodate all.

Our suite transforms from a bright and enchanting room to a vibrant and electric reception venue where you and your guests can dance the night away.
