"We would like to say an enormous thank you to yourself and all the staff at The Boathouse. You made our day very special indeed, we were amazed at the standards and how we were looked after, the friendliness of the staff (this includes the fun bar staff in the evening, some which were at the hen night at Blend!!!, the decoration of the venue, the excellent food and the wonderful DJ.... " Keith and Diane Jones

"I just wanted to say a massive thank you from both myself & Chris for all your help over the last 2 years or so. We originally spent 8 months looking for a venue and nowhere else could even begin to compare to The Boathouse. From the beginning we felt welcomed & listened to and it was such a breath of fresh air! In the run up to the wedding you were very patient with all my questions (many of which I'm sure you've answered 100 times before!) and the rest of the team were absolutely brilliant on the day... Everyone loved the food and the venue - my work colleagues have also been raving about the DJ ever since so please pass on our thanks to him! All in all, we would definitely recommend The Boathouse to any friends who get married in the area..." Jo and Chris

"I just wanted to thank you very, very much for organising Danielle and Tom's wedding day and making it such a huge success. Everyone thoroughly enjoyed themselves and had a wonderful time. Everything was perfect and the day went without a hitch! I would not hesitate in recommending your services to anyone and thank you once again for doing a fantastic job..." Kim
